## LUNCHEON

Dear Community Leaders, Friends and Family,

Calvary Chapel Bible College is honored to host our first annual All Nations Luncheon in benefit of the All Nations Grant Program. You are cordially invited to join us Saturday, September 14<sup>th</sup>, 2019 at the Resort at Pelican Hill at 12 noon where you will enjoy a three-course meal, live auction, special performance, and an update on what God is doing through our school.

Calvary Chapel Bible College was established in 1975 by Pastor Chuck Smith with the mission “to know God and equip His servants.” Our college was established with the heart to provide students with a place to receive a solid biblical teaching of God’s word, preparation for ministry, and to be sent out to fulfill God’s Great Commission: “to go and make disciples of all nations.” With this same heart, we are launching the All Nations Grant Program catered specifically to international students. These are individuals who could never afford to receive a biblical education but have a desire to plant churches in their home countries and/or go into missionary work.

One of our potential candidates is Abdul Mohammed, an Ethiopian Muslim Sheik turned radical born-again believer. Abdul is a well-known figure in Ethiopia, has led over a thousand Muslims to faith in Christ, and is actively hunted by Muslim extremists. His best friend, a fellow Sheik, was tragically martyred when Abdul led him to Christ. Abdul has a heart to lead an evangelistic program into other unevangelized Muslim countries of North Africa (such as Morocco, Tunisia, Algeria, and more) to share the love of Christ.

CCBC plans to equip students like Abdul and send them back into their home countries with the training needed to carry out the Great Commission in their own communities. CCBC offers a two-year Associates in Biblical Studies (A.B.S.) with an emphasis in Missions & Evangelism. Classes include Missions, Church Planting, Apologetics, Bible Study Methods, Homiletics, and more.

We are thrilled to partner with you to fulfill the Great Commission! As we gather on September 14<sup>th</sup> we will be given the opportunity to be used by God to bring blessings to Abdul and others like him across the world; students who will take the gospel into places many of us may never have the opportunity to visit in our lifetime. CCBC is one of the most affordable Christian educations in America. \$16,296 per student will cover tuition, room, board, and textbooks for the full two years of their studies. With the goal of raising \$407,400, we look forward to joining forces with you to make an impact through the gospel.

We pray you would consider joining us in fulfilling God’s call on His people by supporting the efforts of Calvary Chapel Bible College. Enclosed is additional information about the event and ways you can help. You can also view our event website at [www.allnationsgrant.org](http://www.allnationsgrant.org) to sign up today.

For questions regarding scholarships and donations please contact Brittany Whitaker by calling 951.696.5944 or emailing [brittanywhitaker@calvarychapel.com](mailto:brittanywhitaker@calvarychapel.com). We look forward to rejoicing with you for being a faithful steward of God’s resources!

Andy Deane, CCBC Director

## MISSION

### WHO WE ARE

“To Know God and Equip His Servants”

Calvary Chapel Bible College was founded in 1975 as a short, intensive study program. It was developed as a part of Calvary Chapel of Costa Mesa’s overall vision to equip the people of God for His service. Throughout its history, CCBC has remained true to its initial vision: to provide a place where serious and committed Christians can learn the Word of God and draw closer to Jesus.

### WHAT WE DO

“To build up the church of Jesus Christ through the teaching of the Word of God & the ministry of the Holy Spirit”

Our great desire at Calvary Chapel Bible College is still to see each student totally committed and abandoned to Jesus Christ, loving Him with all their hearts. We purpose to give students the whole counsel of God, from Genesis to Revelation, which is sufficient to equip. On campus, students have the opportunity to study God’s Word as it leads them into a deeper relationship with Christ. They are provided with in-depth verse-by-verse teaching, Spirit-filled worship, and student-designed fellowship events that bless, challenge, and ultimately strengthen them in their spiritual walk. CCBC offers both Associates and Bachelor degrees in Biblical Studies with an emphasis in Missions and Christians Leadership. Classes include Missions, Church Planting, Apologetics, Bible Study Methods, Homiletics, and more.

### WHERE WE’RE GOING

“Go therefore and make disciples of all nations”  
Matthew 28:19

As the body of Christ, we have been commissioned to “Go therefore and make disciples of all the nations.” Here at CCBC our heart has always been to equip students to carry out the Great Commission wherever the Lord sends them. With that focus, Calvary Chapel Bible College is launching the All Nations Grant Program. This program will provide underprivileged international students with full scholarships to attend CCBC for two years and attain an Associates Degree. Once they have graduated from our two year program they will be sent back into their home countries fully equipped to carry out the Great Commission in their own communities as well as other unreached nations. During their stay here each student will partner with a local church for mentorship as well as continued communication and support as they are sent into all the world to preach the gospel and share the love of Christ.

The All Nations Grant Program will host our first fundraising event on September 14<sup>th</sup> at 12PM at Pelican Hill Resort in Newport Beach. Proceeds from the All Nations Luncheon will provide the support to grant full scholarships to 25 underprivileged international students. So far the Lord has already provided \$50,000 in donations which will provide full scholarships to three of the 25 students. These are students that have a heart for church planting and/or missions and could never afford an education.
